IVAX Corporation (IVX) Pending Merger with Teva Pharmaceutical Industries Limited (TEVA)

On Thursday, October 27, 2005, the shareholders of IVAX Corporation (IVX) will vote to approve the proposed merger with Teva Pharmaceutical Industries Limited (TEVA). The merger is expected to become effective shortly after the IV shareholder meeting.

The Merger: Aggregate Terms

If the merger is approved and consummated, IVX Common shares will be converted as follows:

50% of all outstanding IVX Common shares will be converted into .8471 TEVA Common Shares, subject to proration (Stock Consideration). Cash will be paid in lieu of fractional TEVA Shares:

50% of all outstanding IVX Common Shares will be converted into \$26.00 Cash, subject to prorations (Cash Consideration)

The Merger: Individual Share Elections

Within the terms of the aggregate merger, individual IVX Shareholders may

elect to receive .8471 Teva Pharmaceutical Industries Limited Common Shares (subject to proration) for each IVX Common Share (Stock Election), or

elect to receive \$26.00 Cash (subject to proration) for each IVX Common Share (Cash Election), or

elect to receive a combination of stock and cash (subject to proration) (Mixed Election), or

register no preference by not making an election (Non-election). Under the terms of the election, shares which are not subject to an effective election will automatically be considered "non-electing" shares:

The Merger Consideration: Prorations

The IVX election will be subject to prorations as described in the IVX Proxy Statement/TEVA Prospectus:
