

<b>Market Operations Information Circular</b>			
<b>Circular Number:</b>	2005-22	<b>Contact:</b>	Jim Sampson, VP Market Supervision
<b>Date:</b>	October 3, 2005	<b>Telephone:</b>	212/897-0235

**RE: Click™ Application - Customer Indicator Flag**

The ISE's Click™ order entry application includes a feature whereby the ISE BBO will be highlighted in green when any portion of the bid/offer is made up of order(s) for public customers.

The purpose of this circular is to inform you that the ISE has discovered a bug affecting a portion of this functionality. Click™ users using the "Market" window will not have access to this information. Accordingly, users are advised to use the "Price Info" window located in the "Market" drop-down tab on the tool bar at the top of the page to access this information.

For additional information, please contact ISE Market Operations at 877/473-9989, or [helpdesk@iseoptions.com](mailto:helpdesk@iseoptions.com).
